3 May 1956

FOIAb6

We have received the official reports of an accident which occurred on 23 March 1956 at Observatory Circle, N.W., and which involved your automobile and an automobile owned by this Agency. Those reports indicate that the accident resulted from your failure to yield the right-of-way to through traffic when pulling out from a vertical parking space opposite 27 Observatory Circle, N.W. They also state that there was no improper driving on the part of the driver of the Agency vehicle.

Under the circumstances it is requested that you pay for the cost of repairs to the Agency vehicle. Damages to the Agency vehicle amount to \$108.81. Three estimates of the cost of repairs are attached. Your check should be payable to the Treasurer of the United States.

Sincerely,

25X1A9a
